(Continued From Page 3)

string men and it is expected that the game will be a battle from start to finish. Coach Watson will use his best gets against the locals and expects his men to show a world of class. Both aggregations are holding workouts every afternoon. Don't forget the time, the place and the game.

### Utah Aggies Meet Montana Saturday

(Special to The Standard)

LOGAN, Oct. 23.—The Utah Aggies will meet the Montana state college eleven at Logan Saturday, October 25 in their first conference game of the year. The Aggies won handsily from the Montana University aggregation at Logan last Saturday, which game was witnessed by many fans from Ogden. The game Saturday will be more interesting to Utah supporters of the Aggies because it is a conference game and there will be a chance to compare the Utah Aggies with Colorado teams.

The Aggies this year are equally as strong as they were two years ago when they carried off the conference honors. Only six of the old men are

back but the addition of such stars as Louie Falck and Glen Dee, former Ogden High men, is a great help to the Aggies in building up a team of many new men. Besides Dee and Falck the new men on the A. C. lineup are: "Frog" McDonald of Montana; Joe Maughan, tackle of the famous 145th field artillery team; Len Andrus, a member of the once famous B. Y. U. basketball aggregation that finished second in the tournament at Chicago in 1917; Howard McDonald, former Granite High school player; Chick Hart, also of Granite and all-state fullback when the Granite team captured the state scholastic title, and many others.

The Aggies played great football last Saturday and are due to play equally as good on Saturday against the Montana state eleven. The Aggies won last Saturday by the score of 47 to 0 and at the same time the Montana Aggies were winning from the Butte School of Mines by the same score—47 to 0.

The Montana Aggies have a strong combination to send into the game against the fast Utahns. Christensen, the husky center, played with the fast 91st division team two years ago. He is a lanky, fast, and a great player, according to Coach Romney of the A. C. who played on the same team as did Christensen. The Montanans have many others who were in the army, including Finch, who was stationed at Logan with the S. A. T. C.

The Aggies will muster every force to win this coming contest which is their first conference game of the year. The game will be played on Adams field at 3 p. m. Saturday, October 25th.

## OGDEN TIGERS MEET WEST HIGH PANTHERS IN CRUCIAL CONTEST FRIDAY AFTERNOON

Accompanied by several hundred confident and enthusiastic rooters, Coach Clarence "Doc" Douglas and his band of Ogden High football players will hike to Salt Lake tomorrow morning with the avowed intention of handing the highly touted West High Panthers a neat little package when the two teams meet on Cummings field in the afternoon. Both machines are oiled and primed for the fray, and their ancient rivalry to urge them on and their chances for the state inter-scholastic championship hanging in the balance, they are bound to afford the fans a grand old battle.

The rival coaches have been perfecting a new and deceptive offense for the encounter, and will bring forth their choicest assortment of plays. All the players are in top shape. The Tigers have not tasted blood since their victory over Davis County High in Kaysville two weeks ago. Instead of taking on a contest with some outside team for their open date last week they accompanied their coach to Salt Lake and got a close-up view of the proceedings in the Panther-Granite contest. If there is anything in the West High strategy that the Ogdenites haven't down pat, it is because the Panther pigskin chasers didn't try it or because Coach Christensen did not let it out of the bag until this week.

According to the available dope, the teams are decidedly evenly matched. In the season's opener Ogden and Granite played a scoreless tie, but the data on the contest shows that the Junction City lads advanced the oval for considerably more yardage than their opponents, and but for some untoward "breaks" and the stubborn fight of the Granitians, might well have won by two touchdowns, a feat which the westsiders accomplished last week at Granite.

Both Have Good Records. In their games to date both teams have been relying on straight football. After losing an early season game to Payson High, seven of whose regulars have since been declared ineligible, the West High eleven found itself and trounced Eureka High 57-0, Jordan High 14-0 and Granite 12-0. Ogden tied Granite and defeated Davis, 13-0.

Several letter men on each eleven lend stability to the aggregations, and the coaches have consequently been able to make rapid progress in the development of their attack and defense. Richards, the brilliant back, is the outstanding Tiger star. His speed and side-stepping ability make him a dangerous man around the ends and in the open field.

Captain Vern Funk is the Panther mascot. A terrific line smasher and a vicious tackler, he sets a sterling example for his men. Hagen and Ridd at halfbacks are both experienced men and make good mates for the plunging Funk. Bruckner, a sturdy chunk of animation, and Dick Williams, are backs who can step into the shoes of the regulars without causing any misgiving to the Red and Black supporters. The generalship is in capable hands with Von Elm directing the play.

Roberts and Yarnell on ends have proved effective, particularly the former. The line is husky and well balanced, with Mitchell at center the leader and particular star.

Practically the entire Ogden squad will be out in the moleskins.

Granite-Davis Game Even. While the Panthers and the Tigers are staging their titanic affair, Granite and Davis High will do battle in Kaysville. Both teams are conceded a chance to annex the long end of the score. The 13-0 defeat administered to the Davis lads by the East High last week has been forgotten. It is not considered significant as a trustworthy test of the Davis strength. The Kaysville rooters are recalling the hard fight the Davis gridders gave Ogden, and with the experience of the Leopard game and a grueling week under Coach Warner to their credit they expect to whip the fighting Granitians.

East High is not scheduled for a league game this week. But the Leopards will not go without a contest. Forty players will journey to Logan Friday, where the first team meets the Utah Aggie fresh and the second team plays Logan High.

Two great games are anticipated. Logan High has revealed unexpected strength, whereas the baby Leopards have won four games and lost none. The Aggie Frosh have a clean slate, with victories over Box Elder High, B. Y. C., South Cache and Logan High. They will meet a great scoring machine in the East High first stringers, who have run wild in the three games played thus far.

Coach Olsen will take his Saints to Park City. The L. D. S. team has been coming forward with great rapidity and should win from the high schoolers of Summit county. After losing to the East High reserves, the Park City aggregation came back and whipped Westminster college, and will try to repeat at the expense of the Gold and Blue.

### Squire Coop resumes teaching

Mr. Squire Coop was in the city yesterday organizing his classes at the Ogden Conservatory of Music.

Mr. Coop has been absent from the Conservatory for about two years, during which time he indulged in war service with the Y. M. C. A. at New York and at Camp Upton, Long Island. Since returning to Utah Mr. Coop has been busy preparing the festival of music for the soldiers' celebration held in Salt Lake recently, at which time the great war and peace oratorio, "Judith Maccabaeus," was rendered by a chorus of 300 voices, a symphony orchestra and eminent soloists. An audience of 10,000 returned men and their relatives and friends crowded the Salt Lake tabernacle.

Mr. Squire Coop is the founder and director of the Ogden Conservatory of Music and his return to the teaching staff of that institution will be good news to the public.

Mr. Coop numbers among his pupils a large number of the best vocalists and pianists in this state.

Other members of the faculty of the Ogden Conservatory of Music are Arthur Freber, violinist, Lester Hinchcliffe, piano, Miss Louise Pierce, Mrs. Vera Beeson, Miss Ellen Thomas and Mrs. Elizabeth Cullen. —Advertisement.

We all eat pumpkin pies and drink apple cider at the big carnival dance W. O. W. hall Thursday, Oct. 30th. Everybody welcome.

### PLANES WRECKED NEAR RAWLINS IN STRONG WIND

RAWLINS, Wyo., Oct. 23.—The plane driven by Lieutenant Bagby, with Sergeant Parrish as a passenger in the transcontinental air race, was wrecked here this morning when the pilot started to hop off. Neither of the men was injured.

Entry No. 38, piloted by Lieutenant Gish, eastbound, also was wrecked in landing. The pilot escaped injury. Gish's machine is expected to be repaired and continue the flight but the plane of Lieutenant Bagby was so badly smashed it will have to be shipped out of Rawlins.

Both accidents were due to a strong wind sweeping across the control field. The gale caught the Bagby plane as it was lifting from the ground, carried the machine into a fence, smashing propeller, wings and gear. A cross wind caught the plane of Lieutenant Gish just as it was settling to the ground, throwing the machine on its nose.

Pumpkin pies and pumpkin faces at the big carnival dance at W. O. W. hall, Thursday, Oct. 30. Everybody welcome.

### Don't Spoil a Good Meal With a Bad Stomach

If a physician, a specialist in stomach disease came to you and said: "I will fix up that miserable, worn out stomach for you or money back."

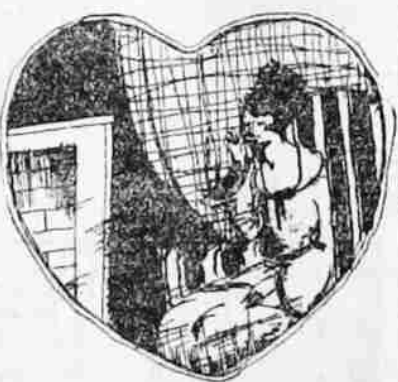

"I will make it as good as new so you will not suffer from any distress and can eat what you want without fear or suffering, or money back would you turn down his offer?"

And when you are offered Mi-na stomach tablets, made from a prescription better than many of the stomach specialists know how to write, are you going to be narrow minded and continue to suffer from indigestion, or are you going to be fair to yourself and try Mi-na on the money back agreement.

Mi-na stomach tablets are offered to you on this basis, that if they do not put your stomach into such good shape that there is no dizziness, sour stomach, biliousness, sick headache and stomach distress your money will be returned. For sale by Cullen Drug Co., and all leading druggists.—Advertisement.

### Swiss Not to Join In the Blockade Of Soviet Russia

BERNE, Wednesday, Oct. 22.—The Swiss government decided today not to join in the collective reply of other neutral states regarding the invitation of the allies to participate in the blockade of Soviet Russia. It is pointed out that Switzerland long ago had broken off relations with the then existing Russian government and that there are no commercial or financial relations of any kind. So that situation intended by the allies has been reached.

### WHAT CAUSES DIVORCE?

One marriage in seven results in a divorce. Idaho McGlone Gibson thinks the marriage system has something to do with it. Would the situation be helped if marriage were made difficult and divorce easy? Read what John and Katherine Gordon think about it in the great daily serial, "Love and Married Life" by Idaho McGlone Gibson daily in The Standard—Saturday.

## Ogden Hospitals Will Have To Close

If things keep improving in our lives

That's exactly what we are coming to. Our hospitals will have to close because of the want of patients to occupy those little white cots.

Nurses will find better employment. Doctors will have to seek other fields. And all because of the great change in our lives. All because the Master is again making life easier for us all.

The sensible person will see the future. The dull person will eventually be made to see it.

But the time is coming nevertheless. And we are all going to live to see it. That is the joy of the whole thing. We CAN see it.

"Doubting Thomases" will come to our way of thinking. They will be converted speedily and permanently.

This entire revolution in our lives is secable. It is so indelibly impressed upon our minds that we can't get away from it.

When "The Miracle Man" begins to get in his work at the Alhambra Theater beginning next Sunday, many will have to hit the trail.

This Paramount-Artcraft picture, which George Loane Tucker has produced for civilization, will cast a shadow of joy over this entire city. It will uplift the downtrodden. It will inspire the weak.

And those who do not take advantage of seeing this masterpiece, this picture with a soul, will find themselves in the same old rut.

But their friends will come to their aid. They will induce them to see "The Miracle Man" and then all will be sunshine once more.

Four days is the limit of "The Miracle Man's" appearance in this city. Sunday, Monday, Tuesday and Wednesday. Then he is gone forever.

Take heed now, you who crave advancement. See this picture.

Sincerely yours,

CHARLES L. WINSTON.

ed already as far as Switzerland is concerned.

### Son of Hedjaz King Not Satisfied With English-French Pact

PARIS, Oct. 23.—(Havas)—Prince Faisal, son of the king of Hedjaz, is not satisfied with the English-French agreement concerning Syria, according to the Echo de Paris, and has called upon Frank L. Polk, head of the American delegation to the peace conference, asking him to intervene. Mr. Polk is said to have declined to act, the convention as to Syria having already been approved by the supreme council.

### PEPPERY BILL OPENS AT PANTAGES TODAY

First class vaudeville is included in the new bill which opens at the Pantages this afternoon at 2:45, featuring the Jarvis Footlight Revue, with Sara Marie as the dashing leading lady and Charles Jordan and George Offerman as the comedians. There is also "a little platoon" of dancers who make the most of brilliant costumes and dance and sing in a nifty style. The oriental dance and the smashing opening of this act are excellent.

All manner of good things for the tired business man are packed away in the offering of the Ziegler sisters. Piano "noisephone" and violin solos are among the musical selections, while the dances include intricate steps artistically done.

Some of the best vocalization heard on the local Pantages stage this season will be offered by Rosa Vallyada, whose range of voice from contralto to soprano is wonderful.

A snappy style of singing characterizes the number of Cramer, Barton and Sparling, who include merriment with their musical selections and who win the crowd everywhere.

The hundred and one steps of dancing and the lit of songs well sung formed the number by Stewart and Olive, while Bell and Eva had a novel way of handling the tumbling game. The program by Albert Erickson's orchestra is the remaining feature on this excellent bill.—Advertisement.

### Typhus Widespread In Siberia and Call for Aid Made

WASHINGTON, Oct. 23.—Typhus is widespread among the refugees and peasants in the villages near the trans-Siberian railway, according to a statement to the state department from Dr. Teussler, in charge of American Red Cross work in Siberia. Dr. Teussler appealed for aid, saying the Red Cross stores were running very

low and that the people had practically no resources with which to meet their needs.

MORE SHIPS NEEDED. WASHINGTON, Oct. 22.—Approximately 1,000,000 deadweight tons of ships, including many 10,000-ton cargo vessels and a fleet of tankers should be constructed in order to balance the government-owned merchant marine.

Chairman Payne and Commissioner Scott of the shipping board, told the house merchant marine committee today.

Gossip is a deadly gas that is often fatal to friendship.

A woman who has no diamonds considers them vulgar.

CEREALS that are deliciously soft and creamy—delicate sauces and puddings that add a final touch to the dinner—can be prepared quickly and easily in the
